ABOUT THE ALABAMA LAWYERS ASSOCIATION

Established in 1971, as the Alabama Black Lawyers Association, the Alabama Lawyers Association (“ALA”) exists to enhance the integrity of the legal profession, to improve the quality of legal services provided to the public and to protect the civil rights of the citizens of the State of Alabama.

For ALA members, practicing law is more than just a career – it is an opportunity to serve their communities. United in this effort, lawyers, judges and law students from across the state of Alabama attend meetings and host programs and continuing legal education sessions (“CLEs”) in an effort to:

☐

- Assist in the educational advancement of legal professionals through the information shared at meetings and conferences.
- Maintain a network and a directory of legal professionals to provide information about their specialties and areas of practice. The network is set up to facilitate client referrals, job referrals, exchange lists of consultants and share other resources.

☐

- Generate funds to support **ALA’s Annual Law Student Program, Law Day Program and Robert A. Jones Law Student Reception**, which provide an informal setting for law students to meet practicing lawyers, as well as judges from federal, state and municipal courts, and discuss any issues facing law students.

☐

- Generate funds to support **ALA’s Law Student Summer Clerkship and Mentorship Program**, which provides stipends to qualified law students as partial funding for summer clerkships with various legal entities throughout the state of Alabama. Further, the Law Student Clerkship and Mentorship Program teaches law students and young lawyers what to expect as a summer law clerk or new associate, as well as interviewing skills, resume techniques and the dos and don’ts of being a good lawyer.
